Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Internationalism and Foreign Missions The following article sets forth one of the chief springs of international mindedness in America, relates the development of that spirit in the growth of the foreign missionary enterprise and sounds a call to the Christian forces of this country to join with those of other lands in support of their common missionary task, as the surest way of advancing the brotherhood of nations and the peace of the world. While a political League of Nations, strug gling toward full attainment, waits upon America's action, a missionary League of Nations is in the remaking that calls for America's loyal devotion. This highway for our God among the nations offers a path of fellowship in purpose, service and hope. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
