

A Grave Prediction

By Victoria Laurie

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In Victoria Laurie's new Psychic Eye mystery, Abby Cooper learns that following the money often leads to murder. Professional psychics learn to deal with skeptics, but Abby has to prepare herself for one steep uphill battle when she's sent to San Diego to help train FBI officers to use their intuition. Her first challenge: a series of bank robberies in which the thieves made off with loads of cash but left no clues. Abby's sixth sense leads her team to a tract of land recently cleared for development. But instead of finding clues to the cash, Abby gets a vision of four buried bodies. A site search turns up some bones and pottery from an American Indian tribe, but that's still enough to delay construction for years. With a furious developer and dubious FBI agents on her back, Abby is losing credibility fast. But unlike the best laid plans, Abby's talent rarely leads her astray. And if the bodies aren't there yet, that means that four deaths can still be stopped. She'll just have to dig a little deeper.
