

## Awake in the Wild: A Buddhist Walk Through Nature - Meditations, Reflections and Practices (Paperback)

By Mark Coleman

NEW WORLD LIBRARY, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. Nature deficit disorder has become an increasingly challenging problem in our hyper modern world. In Awake in the Wild, Mark Coleman shows seekers how to remedy this widespread malady by reconnecting with nature through Buddhism. Each short (two to three pages) chapter includes a concrete nature meditation relating to such topics as Attuning to the Natural World, Reflecting the Rhythms of Nature, Walking with Compassion, Releasing the Inner Noise, Freeing the Animal Within, Coming into the Peace of Wild Things, Weathering the Storms of Life, and more. Incorporating anecdotes from the author's many nature retreats, Buddhist wisdom and teachings, important nature writings by others, and nature itself, the book invites readers to participate in, not just observe, nature; develop a loving connection with the earth as a form of environmental activism; decrease urban alienation through experiencing nature; embody nature's peaceful presence; and connect with ancient spiritual wisdom through nature meditations.

### Reviews

*Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.*
