

Long Distance: Testing the Limits of Body and Spirit in a Year of Living Strenuously

By Bill McKibben

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In his late 30s, celebrated essayist, journalist, and author Bill McKibben - never much of an athlete - decided the time had come for him to really test his body. Cross-country skiing his challenge of choice, he lived the fantasy of many amateur athletes and trained - with the help of a coach/guru - nearly full-time, putting in hours and miles typical of an Olympic hopeful. For one vigorous year, which would culminate in a series of grueling, long-distance races, McKibben experienced his body's rhythms and possibilities as never before. But the year also brought tragedy to McKibben and his family as his father developed a life-threatening illness. Forcing a deeper exploration of both body and spirit, the arrival of this illness transforms McKibben's action-packed memoir into a moving account of two men coming to terms with the limits of the flesh. The author of such impassioned and groundbreaking books as *The End of Nature* and *The Age of Missing Information*, Bill McKibben is re-knowned as an original thinker. Here, writing with his trademark honesty and insight, he once again creates a provocative and...
