Page Publishing, Inc., United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Truth of Lucifer delves into historical accounts, folklore, and hearsay about the Bible and its characters told throughout time. It is an introspective look at modern day society compared to the times of Jesus Christ. The book analyses religious teachings of all types, and our concepts of good and evil. Olson addresses how religious (and public) opinion has shaped the spirit known as Lucifer into a monster. Throughout history there have been numerous accounts of Lucifer/Satan and his involvement with mankind. The Truth of Lucifer provides a psychological explanation of humanity's mind frame of evil on a religious and spiritual level. The book challenges people to keep an open mind about the history of Lucifer, and gives cause for readers to look inward for answers. The return of Jesus Christ and the birth of the Antichrist have long been told throughout history, and still have relevance in societies today. This book is meant to help guide readers towards their own personal truths, and cast light on the darkness that resides within us all.
