Reviews

The ideal ebook i actually study. It usually does not expense too much. You wont really feel monotony at at any time of your own time (that's what catalogs are for relating to should you request me).

(Mrs. Jacklyn Simonis)

PLACE AND PLACELESSNESS REVISITED (PAPERBACK)

[DOWNLOAD PDF](#)

Taylor Francis Inc, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Since its publication in 1976, Ted Relph's Place and Placelessness has been an influential text in thinking about cities and city life across disciplines, including human geography, sociology, architecture, planning, and urban design. For four decades, ideas put forward by this seminal work have continued to spark debates, from the concept of placelessness itself through how it plays out in our societies to how city designers might respond to its challenge in practice. Drawing on evidence from Australian, British, Japanese, and North and South American urban settings, Place and Placelessness Revisited is a collection of cutting edge empirical research and theoretical discussions of contemporary applications and interpretations of place and placelessness. It takes a multi-disciplinary approach, including contributions from across the breadth of disciplines in the built environment - architecture, environmental psychology, geography, landscape architecture, planning, sociology, and urban design - in critically re-visiting placelessness in theory and its relevance for twenty-first century contexts.
