A Poet Laureate is a poet officially appointed by a government and is often expected to compose poems for State occasions and other government events. In the United Kingdom the term has for centuries been the title of the official poet of the monarch, since the time of Charles II. Poets laureate are appointed by many countries. In Britain there is also a Children's Laureate. In ancient Greece the laurel was sacred to the god Apollo, and was used to form a crown or wreath of honour for poets and heroes. This custom has since become widespread, both in fact and as a metaphor. The word laureate or laureated thus came in English to signify eminence or association with glory (cf. Nobel laureate). Laureate letters were once the despatches announcing a victory. The term laureate became associated with degrees awarded by European universities (the term baccalaureate for the degree of bachelor reflects this idea). 100 pp. Englisch.
