Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Aliya Franecki)

MICROCOSMOS

Editorial Anagrama, S.A., 2006. soft. Book Condition: New. Si El Danubio abarcaba una vastísima área geográfica e histórica, Microcosmos, galardonada con el Premio Strega de novela, nos sirve de guía en el descubrimiento de lugares cada vez más reducidos. De la descripción del paisaje incluso en sus detalles más imperceptibles, del relato de las existencias mínimas, de los destinos, de las pasiones, de las cómicas o trágicas vicisitudes, emerge una narración errática y fluctuante, como la corriente de un río. Cada uno de esos mundos que se reflejan y se integran en la parábola de una existencia vive en la presencia simultánea del presente y el pasado. Son protagonistas los hombres, pero también los animales, las piedras y las olas, la nieve y la arena, las fronteras, la presencia de un ser amado, una inflexión de voz o un gesto quizás inconsciente. . .
