Reviews

This is actually the finest ebook i have got study till now. I actually have go through and that i am sure that i am going to likely to read once again once again later on. Its been developed in an extremely straightforward way and is particularly simply soon after i finished reading through this ebook through which actually modified me, change the way i really believe.

Hachette Children's Group. Paperback. Book Condition: new. BRAND NEW, The Fire-eaters, David Almond, There he was, below the bridge, half-naked, eyes blazing. He had a pair of burning torches. He ran them back and forth across his skin. He sipped from a bottle, breathed across a torch, and fire and fumes leapt from his lips. The air was filled with the scent of paraffin. He breathed again, a great high spreading flag of fire. He glared. He roared like an animal. That summer, life had seemed perfect for Bobby Burns. But now it's autumn and the winds of change are blowing hard. Bobby's dad is mysteriously ill. His new school is a cold and cruel place. And worse: nuclear war may be about to start. But Bobby has a wonder-working friend called Ailsa Spink. And he's found the fire-eater, a devil called McNulty. What can they do together on Bobby's beach? Is it possible to work miracles? Will they be able to transform the world? A stunning novel from the author of the modern children's classic Skellig - winner of the Carnegie Medal and the Whitbread Children's Book Award. David Almond is also winner of the 2010 Hans Christian Andersen award.
