Tan Books, 2009. Paperback. Condition: New. Reprint. Language: English . Brand New Book. This booklet contains practical advice on the subjects of dating and choosing a spouse from the Catholic theological viewpoint. Father Lovasik points out clearly what one's moral obligations are in this area, providing an invaluable aid to youthful readers. Additionally, he demonstrates that Catholic marriage is different from secular marriage and why it is important to choose a partner who is of the Catholic Faith if one would insure his or her personal happiness in marriage. With the rampant dangers to impurity today, with the lax moral standards of a large segment of our society, with divorce at epidemic levels, Clean Love in Courtship will be a welcome source of light and guidance to Catholics serious about their faith.
