Overlook Hardcover. Hardcover. Book Condition: New. Hardcover. 336 pages. Dimensions: 9.1in. x 6.3in. x 1.3in. The idea of *Into the Woods* is not to supplant works by Aristotle, Lajos Egri, Robert McKee, David Mamet, or any other writers of guides for screenwriters and playwrights, but to pick up on their cues and take the reader on a historical, philosophical, scientific, and psychological journey to the heart of all storytelling. In this exciting and wholly original book, John Yorke not only shows that there is truly a unifying shape to narrative one that echoes the great fairytale journey into the woods, and one, like any great art, that comes from deep within he explains why, too. With examples ranging from *The Godfather* to *True Detective*, *Mad Men* to *Macbeth*, and fairy tales to *Forbrydelsen* (*The Killing*), Yorke utilizes Shakespearean five-act structure as a key to analyzing all storytelling in all narrative forms, from film and television to theatre and novel-writing a big step from the usual three-act approach. *Into the Woods: A Five-Act Journey Into Story* is destined to sit alongside David Mamet's *Three Uses of the Knife*, Robert McKee's *Story*, Syd Fields Screenplay, and Lajos Egri's *The Art of Dramatic Writing* as one of the most original, useful, and inspiring books ever on dramatic writing. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
