[.] The newly arrived instructor of youth studied her domain ruefully from her vantage point on the trunk; and it might have been observed, had there been any one on hand to observe it, that the study was interrupted by occasional attacks of violent winking, also that much winking seemed to impart a certain odd moisture to the singularly long lashes which shielded a pair of rather remarkable gray eyes. As she winked, the young woman of the gray eyes kicked her heels against the side of the trunk in a fashion that was distinctly undignified, but appeared to be comforting. There was a note of defiance in the heel[.].
