Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Professional. Language: English . Brand New Book ***** Print on Demand *****. Do people have trouble understanding you? Are you yearning for your dream career, but your accent is stopping you? Is English your second language? Do you believe that your accent may be keeping you from the advancement you've been seeking? In *Accent Reduction For Professionals*, you'll discover secrets of reducing - and eliminating - your foreign accent. Envision the ability to present a contract or proposal to your native-speaking colleagues and not worrying about how you sound, confident in knowing that you've effectively masked your tell-tale accent and how everyone is listening to what you are saying and not how you're saying. With this guide, you'll quickly learn the easiest ways to sound more like an American and dramatically improve the way you sound. What habits and insights can you be assured of learning when you read and implement the tips, tricks and techniques revealed in this concise book? - 8 Secrets to quickly and effortlessly reducing your accent - The Number #1 method of acquiring not only accent elimination, but the intonation and syllable stress of native English speakers. - What are the sounds that English speakers use daily that are difficult, if not seemingly impossible, for those who are still learning to master the intonation and other nuances of the language This Guide will Also Reveal How to Overcome: - The use of the s or the z sounds at the ends of words. (What you didn't know that sometimes the letter s could be pronounced as a z ?) - The proper pronunciation of perhaps the trickiest sound of all: the th. With the instructions in this book, you can swiftly conquer...
