Penguin Putnam Inc, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. The New York Times bestselling author of *Not the Killing Type* is back in Booktown with another page-turning mystery. Bookstore owner Tricia Miles and her sister, Angelica, must put their problems on the shelf to catch a killer who turns a bookcase into a murder weapon. After cranky Chamber of Commerce receptionist Betsy Dittmeyer is crushed by a fallen bookcase, the next item to be read is her will, which is packed with surprises. It seems Betsy was hiding volumes of secrets behind her perpetual frown--one of which might have been a motive for murder. While Tricia tries to help Angelica--the newly elected Chamber of Commerce president--solve the mystery, she discovers a hidden chapter in her own family history. And with her ex-husband and the chief of police vying for her affections, it's doubly hard to focus on who buried Betsy in a tomb of tomes. But Tricia and Angelica will need to watch their step carefully to make sure the killer doesn't catch them between the stacks.
