Peter Owen Publishers, United Kingdom, 2002. Paperback. Condition: New. Language: English . Brand New Book. Who Are You? is a sparse depiction of the hopeless, emotional polarity of a young couple and their doomed marriage spent in a remote, tropical hell. She - described only as the girl - is young, sophisticated and sensitive; he, Mr Dog-Head , is an unreconstructed thug and heavy drinker who rapes his wife, otherwise passing his time bludgeoning rats with a tennis racket. Together with a visiting stranger, Suede Boots , who urges the woman to escape until he is banished by her husband, these characters live through the same situations twice. Their identities are equally real - or unreal - in each case. With slight variation in the background and the novel s atmosphere, neither the outcome nor the characters themselves are quite the same the second time. The constant question of the jungle brain-lever bird remains unanswered - who are you? The novel s typical autobiographical bias can be traced to Kavan s life in Burma during her first marriage. An experimental piece that clearly anticipates the nouvelle vague cinema of Jean-Luc Godard, Who Are You? was reissued to widespread acclaim in 1973.
