Topics of discussion include: Finding how to move from being a strong person to a powerful person, step by step. Knowing why you need proper management of your potential. Evaluating and seeing whether the hindrances to the calling God commissions on people are not standing in your way as well. Knowing that in order to grow, you have to change, but not every change contributes to positive growth. Discovering that you are living in three seasons at the same time. Rejuvenating your trust in what has been provided to help you achieve your goals. Why struggle alone when you shouldn't?
