

## Smart Slot Strategies: A Mathematical Approach to Winning Slot Machine Strategies (Paperback)

By John W Crockett

Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book includes easy-to-follow strategies developed by the author and tested in real-world casinos. He doesn't claim that these strategies are guaranteed to make you win (as many other authors do), but even if you don't follow any of the strategies or apply the rules laid out in this book, you will become a better-informed slot machine player and will have a good, basic understanding of how slot machines work and what to expect when you play slots. Several books on the market today make the claim that they teach techniques that will lead to better results when you play slot machines, and even claim that they guarantee that you will be a winner each and every time you apply their techniques, but can you really win at slot machines with any form of predictability or consistency? Is it really possible to predict what the slot machines will pay out, which slot machines you should play, and for how long? Many of these questions are answered in this book, with answers that aren't based on the author's own...
