

Big Bills Only (Paperback)

By Jerry Webb

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand ***** This is a true story of a family held hostage and a bank extortion which occurred in January of 1984 in Dallas, Texas. The story follows the crime, the investigation by the FBI and the trial. The author is the FBI Agent who was assigned to the case. The prosecutor was a man known as a Texas legend who earlier in his career was the lead prosecutor in a case of some national interest. That would be the State of Texas v Jack Ruby. The idea as to how to commit the extortion came to the bad guys right out of a Hollywood movie. The investigation certainly did not follow the path of a simple and easy to believe Hollywood plot.

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
