Pearson Education (US), United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A superb introduction to the necessary financial planning no American over 40 can afford to ignore. Publishers Weekly It's time for many individual investors to make some hard choices. Baby Boomers are learning to deal with the fact that they really can't have it all--at least not all at once. Retirementology is a great guide to helping them think through their plans for living, saving, and spending. Marion Asnes, Editor in Chief, Financial Planning magazine Retirementology applies behavioral finance to retirement planning and finds we all could be doing a lot better when it comes to making decisions about retirement. But don't despair: Not only does Dr. Salsbury crisply describe our self-destructive financial behavior, he offers much more--namely, ways we can improve financial decisions. The book is a real contribution to both behavioral finance and the field of retirement planning. David Adler, author of Snap Judgment Retirementology is an entertaining, yet sobering, journey through the cognitive errors and social biases harming our current and future lifestyles. Dr. Salsbury's book is not just for retirees or those soon to retire--the earlier you read it, the better you can live! John Nofsinger, Ph.D., Associate Professor of Finance, Washington State University, and author of The Psychology of Investing Looking ahead to retirement? Depending on your circumstances and your age, you may no longer have any margin for error. And your emotions and irrational behavior could be perpetuating a dangerous cycle of overspending and rising debt that may shatter whatever vision of retirement you still have. Welcome to the world of Retirementology. Retirementology bridges retirement planning with investor psychology and the market Meltdown of 2008 to produce an entirely new...
