Reviews

A whole new eBook with a new standpoint. Better then never, though i am quite late in start reading this one. I discovered this publication from my i and dad advised this publication to discover.
(Meredith Hoppe)

EMERGING INTERSECTIONS RACE, CLASS, AND GENDER IN THEORY, POLICY, AND PRACTICE

Rutgers University Press. Hardcover. Condition: New. 328 pages. Dimensions: 9.1in. x 6.1in. x 1.0in. The United States is known as a melting pot yet this mix tends to be volatile and contributes to a long history of oppression, racism, and bigotry. *Emerging Intersections*, an anthology of ten previously unpublished essays, looks at the problems of inequality and oppression from new angles and promotes intersectionality as an interpretive tool that can be utilized to better understand the ways in which race, class, gender, ethnicity, and other dimensions of difference shape our lives today. The book showcases innovative contributions that expand our understanding of how inequality affects people of color, demonstrates the ways public policies reinforce existing systems of inequality, and shows how research and teaching using an intersectional perspective compels scholars to become agents of change within institutions. By offering practical applications for using intersectional knowledge, *Emerging Intersections* will help bring us one step closer to achieving positive institutional change and social justice. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
