Createspace, United States, 2013. Paperback. Book Condition: New. Large Print. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****. My book is designed to reach individuals that struggle with his or her sense of identity. My life has always been a challenge and the lessons I learned from it helped me find my true self. I was misguided I thought the value of man was broken down into dollars and cents. No dollar value can compare to a person who helps people out of the kindness of their heart and not to be pompous. I use to believe that obtaining a quality education didn t matter because so many people where I m from were criminals and they lived like rock stars. Some of my family members and peers had the American dream for moment but all that came to an end. I tried to follow in their footsteps but a higher power had a greater purpose for me. I made the transformation from living in darkness to light so I could do my part in trying to remove the blindfold from the eyes of Detroit s youths and the world if possible. My book is designed to inspire and motivate the world to discover his or her positive self and abandon negativity forever.
