THE NATIONALS: THE PROGRESSIVE, COUNTRY AND NATIONAL PARTY IN NEW SOUTH WALES 1919 TO 2006 (HARDBACK)**DOWNLOAD**

Federation Press, Australia, 2006. Hardback. Condition: New. Language: English . Brand New Book. The Nationals tells the story of the NSW National Party from its foundation in 1919 as The Progressive Party to the contemporary era under Andrew Stoner's leadership. Paul Davey, a former Federal Director and NSW General Secretary, writes with an insider's knowledge of the politics, policies and personalities that have shaped the modern party. His research is comprehensive including unfettered access to party archives. Emerging in the wake of World War I, The Progressive Party splits after only two years when seven of its 15 members refuse to join a coalition government. These dissidents become known as the True Blues and are the founding parliamentary members of the Country and subsequent National Party. The party grows into one of the largest political organisations in the country, boasting nearly 50,000 financial members in New South Wales in the 1980s. It fights off merger proposals and survives, despite constant predictions of impending doom, as the only party which exclusively represents rural and regional New South Wales. The State party is also highly influential in the national context; every Federal Leader since John McEwen's retirement in 1971 has come from New South Wales. The Nationals is as much about people as policies. Davey studied a myriad of documents and interviewed a wide cross-section of party figures including all surviving State and Federal leaders. The studies and candid comments shed new light on people, policies and incidents ranging from Mick Bruxner's and David Drummond's building of inland roads, railways and country education facilities to Charles Cutler's fight for State Aid for Independent schools; from the repulse of the Joh for Canberra campaign and Pauline Hanson's One Nation to the challenge of Independents; from sometimes...
