

Die Arktisreisen von Francis Leopold McClintock. The Arctic Voyages of Francis Leopold McClintock

Filesize: 1.21 MB

Reviews

It is one of my personal favorite books. It is one of the most incredible ebooks I have ever gone through. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).
(Giuseppe Mills)

Book Condition: New. Publisher/Verlag: Südwestdeutscher Verlag für Hochschulschriften | Auf der Suche nach der verschollenen Expedition von John Franklin, 1848 - 1859. In search of Sir John Franklin's lost expedition, 1848 - 1859 | Der irische Marineoffizier Francis Leopold McClintock unternahm zwischen 1848 und 1859 vier Reisen in die kanadische Arktis, um nach der seit 1845 verschollenen Expedition von John Franklin zu suchen; 1859 gelang es ihm, das Schicksal von Franklins Männern weitgehend aufzuklären. Die Suchexpeditionen werden in der vorliegenden Arbeit mit Hilfe von großteils unveröffentlichtem Quellenmaterial rekonstruiert. Auf diese Weise entsteht eine Kultur-, Alltags- und Mentalitätsgeschichte der Reisen. Die Autorin geht auf verschiedene Themenbereiche wie zum Beispiel Überwinterung, Tagesablauf, Proviant, Gesundheit, Disziplinarverstöße, zwischenmenschliche Probleme, Begegnungen mit Inuit und Schlittenreisen ein. Ihr besonderes Augenmerk gilt der Person Francis Leopold McClintock, seiner Entwicklung, seinen Interessen und seiner Stellung. Die Quellen zeichnen ein ungünstigeres Bild von McClintocks Charakter als die bis dato über ihn erschienenen Biographien. Francis Leopold McClintock nutzte die auf den Expeditionen gewonnene Erfahrung gezielt, um seine Karriere voranzutreiben, und ging dabei um einiges verbissener und skrupelloser vor als seine Offizierskollegen. The Irish Naval Officer Francis Leopold McClintock participated in four voyages to the Canadian Arctic. The purpose of these voyages, which took place between 1848 and 1859, was to find the lost expedition of Sir John Franklin. In 1859, McClintock succeeded in unravelling the tragic fate of Franklin's expedition. This book reconstructs the searching expeditions with the help of (largely unpublished) sources. The result is a cultural history of everyday life on these voyages. The author looks at the daily routine, equipment, provisions, health, disciplinary measures, conflicts, meetings with Inuit and sledge journeys of the expeditions. She gives special attention to Francis Leopold McClintock's personality, position and development. The sources show a less engaging character than the biographies published...
