As children of God, and God wants us to be holy, we are given many opportunities and graces to become holy as the Good Lord wants us to be here on earth. Practically the entire scripture is guiding us in this direction. In essence, the New Testament is replete with scriptures telling us how to pray, act, helping self and others how to become better persons by following the God-given plans he has for our existence. There are steps recommended on how you can modify your current spiritual progress. Most Christians believe and pray in the natural world with very good success. Then, however, if we step up to the spiritual world we will be living and praying with the angels and saints in excess joy and happiness.
