By Mr Shytour L Williams

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 52 pages. Dimensions: 8.0in. x 5.0in. x 0.1in. In this guide, Shytour L. Williams, who graduated from La Salle University with honors, offers critical must know tips to students to increase their chances of success in their post-secondary educational journey. For instance, in college, many students focus intensely on getting great grades, but that's just not enough. What's more, although the author largely refers to his own personal collegiate narratives, the tips, contained within this handbook, can generally be applied to any post-high school itinerary that you set forth on. Have you ever wished that you had a personal guide that can show you how to attain success? Well, here it is! Your Post-High School Guide: Quick Practical Tips for Success You Can Use Along Your Journey will explain how students waste money by not taking full advantage of the resources that are around them. Discuss the importance of strategically building relationships. Prepare yourself mentally before you embark on your path to higher learning, your pursuit of a trade, etc. Students around the world make the decision to attend college, get vocational training, start their own...
