

Follow Me Down: An Orwell Brennan Mystery (Hardback)

By Marc Strange

ECW Press, Canada, Canada, 2010. Hardback. Condition: New. Language: English . Brand New Book. Orwell Brennan, Dockerty's chief of police, is partial to classic Motown, autumn sunrises, and most kinds of pie. He dislikes ceremony, squabbling with the Mayor, and being told to stay clear of matters that don't concern him. A man found in a tree shot dead by an arrow is in the jurisdiction of Metro Homicide. Brennan would be happy to mind his own business -- if only the pat solution he had been handed made sense. But there are far too many unanswered questions for the Chief to care whose toes get stepped on as he uncovers what really happened. The forests around Dockerty hide many secrets. Some were never meant to be unearthed; one is still waiting to be buried.

Reviews

Completely essential read through ebook. This can be for all who statte there was not a well worth reading. You wont really feel monotony at at any time of your own time (that's what catalogs are for relating to if you request me).

-- **Maud Mitchell**

Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.
