One is, verse by verse, giving close thought to every word, even looking into etymology and grammatical construction, so that the exact sense of the text may be learned. Commentaries that take us over the Bible in this microscopic way are valuable. We need every particle of light on the Scriptures we can get. Then another way of studying the Bible-is in order to get from it practical lessons for our own daily common life. What does the passage teach us? What Divine instructions have we in it for ourselves? Devotional Hours with the Bible is an eight volume set by J. R. Miller.
