OVER THE WALLCass has a rather interesting family. They are shape-shifters, but not like the ones of legend. Naw, they got the short end of the shifter stick. Cass is a mongoose, her grandfather was a horny old goat, and her cousins range from a sexy fox to a skunk with halitosis. So, she likes to have a normal work life, but did she ever pick the wrong place! Her trainer is crazy but doesn't think she needs her medication, and another co-worker shaves her eyebrows in the restroom every morning. And then there's Dar. He's hot, classy, and drives the women crazy. He's also interested in her and has no clue why she scurries off every time he talks to her. When he finds out that Cass is his friend from the chat room he hangs out in he is even more interested in getting to know her, but he doesn't expect the sparks that fly when he touches her. Fate, however, seems to be conspiring against them as someone tries to break into Cass's house, and her friends and family seem intent on scaring Dar off. Add to that, her hamsters are plotting to kill her. BEE STUNG Trying to build a new life for herself, Rienne moves to Oracle Island to be closer to her cousin Cass. But the island isn't anything like she thought it would be; the residents are suspicious, and Rienne is drawing more attention from the local bachelors than she knows what to do with. Just healing from a bad relationship, she isn't sure she wants to date anyone at all, let alone all four...
