Loving Healing Press, United States, 2008. Paperback. Book Condition: New. 232 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A unique on-the-ground account of a country shattered Iraqi playwright Issam Jameel returns to Iraq in the summer of 2005 after a 12-year exile. From the relative safety of Jordan, where he worked for an opposition radio station under the watchful eyes of Saddam s spies, he travels by car to Baghdad visit family and friends. He longs to see his mother country, but the immediate reason is to grieve his nephew s untimely death at the hands of American forces while guarding an Iraq parliament member from insurgent attacks. Jameel enters a Kafkaesque nightmare of assassinations, kidnapping, and explosions. American soldiers are everywhere in the streets and ready to shoot whenever they feel danger is close. He sees the formerly secular civil society fairly well replaced by vehement sectarianism, intolerance, and ignorance. Basic human needs have become a endless daily struggle amidst the shards of infrastructure. Tasks we all take for granted, such as selling a house or getting a job are fraught with peril as old scores continue to be settled on religious, ethnic, and political fronts. Everywhere he turns, people are desperate to leave but fear for the worst. After returning safely, he started to record the events he had seen, trying to be honest and impartial to unfold the Iraqi problem to the western community. This is his story. Critics Praise Iraq Through A Bullet Hole Issam Jameel s Iraq Through A Bullet Hole is evocative in the best sense of the word. A native Iraqi, he describes with measured sadness and authenticity the dismemberment of his country by a senseless war. His perspective on events there-both personal and general-will not be...
