University of Texas Press, United States, 1976. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In the spring of 1846 James K. Polk announced that the Mexican Army had invaded United States territory and had shed American blood upon the American soil. This political rhetoric, as Glenn W. Price establishes in *Origins of the War with Mexico: The Polk-Stockton Intrigue*, is part of the myth of American innocence. It represents the internal contradiction between professed values and patterns of action, perpetuated by American historical writing that emphasizes national consequences of the acquisition of foreign territory and minimizes both its international significance and the importance of the diplomatic and military methods used. A conflict with Mexico, leading to territorial expansion of the United States, was not unwanted. California was Polk's prime objective from the beginning of his administration, and this Mexican province was to be acquired by conquest in a war initiated on the Texas-Mexican border. To this end Polk sent several agents to Texas, but the man at the center of the war intrigue was Commodore Robert F. Stockton, independently wealthy, prominent in politics, and the head of great business enterprises. Sufficient evidence exists to substantiate in every important particular the steps in Polk's path of intrigue: his attempts to bribe Mexican officials; his efforts to encourage revolutionary forces in the Mexican provinces; his use of the threat of force to frighten Mexico into selling California; his attempt to initiate a war by proxy through the government of Texas and Anson Jones. If Polk was unwilling to assume responsibility for aggressive war, Stockton was not; he arrived in Galveston with a squadron of naval vessels in May of 1845, prepared to finance an army of three thousand men from his personal funds...
