Surgical Observations (Classic Reprint) (Paperback)

By John Abernethy

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Surgical Observations I am far, however, from being satisfied with the method which I have adopted, but it is the best that I have been able to devise; and, at least, it has this utility, that it admits of a number of important cases being arranged in a perspicuous manner, and prevents that obscurity which a total want of order necessarily creates. My motives for laying this paper before the Public are; first, a conviction, that an extensive knowledge of this subject, such a knowledge as would lead to an attempt at classification, and to ascertaining the peculiarities which characterize the different species of tumours, can only be obtained by those who have very ample opportunities of observation. But it is probable that, when the subject in general has been surveyed, and its parts pointed out, that those parts maybe discriminated and examine with accuracy and advantage, by persons who have not had opportunities of contemplating the whole.
