Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Life is full of experiences, emotions, changes, awakenings and many other things that shape who we become as a person. Through poetry, we see the heart in all of its beauty. We see what's inside through the words from each stanza. Whether its love, family, changes or pain, life is about sharing what you feel with others so that they may feel that way as well. There's nothing more pure in life than a poet expressing their feelings through words from the soul. Poetry is an instance wrapped in emotion showered by inspiration. My gifts to you are all of the emotions I've encountered in life so far, compiled in one book for you to read, share, and enjoy.
