## THE FINGER OF FATE

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In a wood, within ten miles of Windsor, two youths are seen, gun in hand, in pursuit of game. A brace of thoroughbred setters, guarding the cover in front, and a well-equipped keeper, walking obsequiously in the rear, precludes any suspicion of poaching; though the personal appearance of the young sportsmen needs no such testimony. The wood is only an extensive pheasant-cover, and their father is its owner. They are the sons of General Harding, an old Indian officer, who, with a hundred thousand pounds, garnered during twenty years active service in the East, has purchased an estate in the pleasant shire of Bucks, in the hope of restoring health to a constitution impaired upon the hot plains of Hindostan. A fine old Elizabethan mansion, of red brick, now and then visible through the openings of the cover, tells that the General has laid out his lacs with considerable taste, while five hundred acres of finely timbered park, a home farm, and half-a-dozen others rented out-to say nothing of the wood-covers and cottage tenements-prove that the ci-devant soldier has not carefully collected a hundred thousand pounds in India to be carelessly squandered in England.
