Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Peter Jackson is the top paid athlete in the country. He has it all. But he s tired of dating vain starlets and brainless pop stars. He wants a baby, but not the baby mama to go with it. Instead of shelling out child support, he decides to hire a clean, innocent girl, pay her a million dollars, and impregnate her. Jasmine Bishop is trying to figure out a way to pay for the Ivy League University that accepted her. Her merit scholarship just won t cover it, and her kid brother has an illness that takes all of her single mothers money and time. When she is approached on campus by the recruiter, she is willing to sign anything when he tells her how much money is involved. Peter isn t expecting the shy beauty he meets in the hotel room to be a virgin. Nor is he expecting her to stir so many protective feelings in his previously hardened heart. But as he takes her body again and again, will he forget the real reason he hired her?.
