Nobody likes this word, not even banks. Banks like it when others are in debt to them. Anyway, if you are in debt, it is not the end of the world. It only means that you are in a bad financial position and that is something that you need to change. If we take a look at the debt statistics, over 70 of the students in USA are in debt with average sum of \$30.000 per student. Now this is a huge percent and very high sum of money. Part of the students will struggle for a very, very long time to get out of debt and have a life with financial freedom. But some of them will do it much quicker, much...
