Mary M Raichle, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ruby's world, the artificial jungle suspended from a web of synthetic cables, threatened to collapse around her. A larger than normal storm had driven a drifting ship towards the support stanchions that held up the web. She swam with War Tooth, the military outcast cyborg orca of the local pod, to secure it and save everyone she knew. But securing the ship was only the beginning of Ruby's fight for survival. The seas and all the creatures living in it was a bigger threat to her survival than any wayward ship. The Web is an exciting cyberpunk struggle to survive in a world that's surrendered to global warming and rising seas that is sure to excite.
