Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Letters from Faye is a book that is inspired by God. It is made up of letters written by me, Faye, that addresses the test and trials that I've over come. The purpose of writing this book is to empower, inspire, and inform all individuals about walking with faith. The vital approach that is emphasized through many of the letters is committing your mind, body, and soul to the power source who created us. It is my prayer that this book will bless the lives of many and carry souls closer to The Lord. God Bless!
