AUTHORHOUSE, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The reason that I wrote this book was because I felt led by God to write it. I woke up one morning around 3:00 a.m. and decided to start writing. A lot of my inspiration came from the Bible. I feel like God inspired me to write this book. Also, I had others look at the book and got a lot of praise and encouragement for writing this book. I was told by quite a few people who read this manuscript that I should have this book published. One of the main points of this book is that I wrote about my life experiences. These are things that I have personally gone through myself while growing up and also as an adult. I have lived through a lot of things, one of them being put in the hospital in 1986 after the jack slipped out from under a car that I was working on and the car fell on me. I was in the hospital almost two weeks after that happened to me. This was an experience that has stayed with me since it happened. I give God the glory because if it wasn't for the many prayers that went up for me, I would not have made it through this experience. This is one experience that I know those who read it will believe that miracles do happen to those who have the faith to believe in them. There are many other points in this book, but this one sticks out more than the others that are written about in this book.
