

Pigs (Hardback)

By James Maclaine

Usborne Publishing Ltd, United Kingdom, 2016. Hardback. Condition: New. Jeremy Norton (illustrator). Language: English . Brand New Book. A simple introduction to the lives of pigs - where they live, what they eat, how they behave, and which breeds live in the wild and where. Children can dip into this informative book and learn lots of facts for school research or general interest. Pigs are often given a somewhat poor reputation. However, after reading this fascinating book, children are bound to fall in love with all things pig-related! Find out why pigs grunt, how they stay safe in the wild and why they spend so much time in the mud. This book contains the perfect balance of descriptive facts with fascinating illustrations and photography, while remaining approachable for young children. Part of a collectable series, great for libraries or any family bookshelf.

Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Everett Stanton

The ideal pdf i at any time read. I am quite late in start reading this one, but better then never. You will like the way the author create this book.
