Free Press, 2012. Paperback. Condition: New. Original ed.. Language: English . Brand New Book. From the author of the #1 New York Times bestseller The Millionaire Messenger, an electrifying and inspiring book that provides the keys to motivating yourself to satisfy your highest, most essential creative and intellectual needs. In the hyper-connected, hyper-digitized world in which we are living, the time has come to revise Abraham Maslow's classic hierarchy of needs --a pyramid of human drives that places the basic needs of safety and sustenance at the bottom. Burchard, a world-renowned motivational speaker and bestselling author, makes a compelling case that it's time for an entirely new approach to understanding what drives human ambition and achievement today; it's time to change the conversation about what it takes to succeed and feel alive and fulfilled in a stressful, chaotic, distracted world. In *The Charge: Activating the 10 Human Drives that Make You Feel Alive*, Burchard, using pioneering studies from the fields of positive psychology and neuroscience, as well as great stories from his own experience, identifies the ten simple drives of human emotion and happiness: Control, Competence, Congruence, Caring, Connection, Change, Challenge, Creative expression, Contribution, and Consciousness. The Charge provides the keys to understanding and activating these drives in clear and concrete ways that will inspire and help everyone find the one thing we all are searching for: more life in our lives.
