Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Graded Exercises in Arithmetic: Sixth Year, First Half While most of the material has been selected for pupils of average ability, additional problems are given for pupils of advanced standing. These problems can be used also for variety, when pupils are required to go over the grade work a second time. The language used is simple, clear, and precise. The study of mathematical relations should not be complicated by difficulties of language, nor by distractions introduced through the content of the problems. The problems here given are within the experiences of the children, and are true to conditions of everyday life. The problems present a gradual increase in difficulty an arrangement that conduces to steady progress and ease Of comprehension. The topics are treated in the order suggested by the most approved courses of study. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
